Global Immigration Management Services

TIPS FOR COMPLETION OF DS160

- ***** For best results use Google Chrome browser and use a non-corporate network.
- ❖ Save the form frequently and at each section, so as to avoid data loss due to session expiry. The form will be saved on your system in '.dat' format which you can upload in the website anytime by Selecting "upload an application" and continue filling the form.
- Keep the information ready like Passport details, Education details, Previous employment details. Experience details for last 5 years, Place you will be staying in US, US point of contact and person's details, previous travel details and visa refusals if any.
- ❖ Incomplete and inaccurate information may lead to visa ineligibility, Select "do not know" or "does not apply" appropriately and only if true
- Review the form carefully before submitting. After submission you will get the option to print application and confirmation.
- ❖ First Click on "Print Application" and save the form as pdf; then click "Print confirmation" and save the file as pdf. Ensure to follow this instruction carefully as if you click on "Print Confirmation" you will not be able to save the DS160 application file which mandatory for Verification purpose.

HOW TO RETRIEVE DS160 APPLICATION AFTER SUBMISSION FOR MAKING CHANGES

- ❖ In case if you are requested to make some changes in the DS160 application you don't need to fill a new form once again. Through this method 70 to 80% of the data is pre-fetched you can make the specific changes and submit the application again.
- ❖ You can follow the below steps to modify the existing DS160 form:-
 - 1. You can retrieve your current DS160 application by entering your DS160 confirmation number then select create a new application.
 - 2. You can make the required changes.
 - 3. You will get a new DS160 confirmation sheet with a new number.
 - 4. You can then again save the DS160 Application form as pdf and the DS160 Confirmation page also as pdf and upload both the files in your GIMS Stamping request.

Welcome!

On this website, you can apply for a U.S. nonimmigrant visa. Filling out the application on our site is the first step in the process. After you submit your application, you can move on to the next steps, such as signing up for an interview.

Important: Before You Start

- Learn about Types of Visas
- List of Documents and Information you will need
- Browser Requirements
- 4. How to complete the application

Other people can assist you with your visa application. Note that under U.S. law (22 C.F.R. 41.103) you must electronically sign and submit your own application unless you qualify for an exemption. Even if someone else helped you complete the application, you (the applicant) must click the "Sign Application" button, or your application may not be accepted.

**Please be patient as you use this form.

Download times may vary depending on your internet connection speed.**

One security question to be answered

Application Information

Please record your Application ID in a safe and secure place.

If there are technical issues with the system, or you want to complete your application some other time, you can save your work and later, start where you left off. In order to access your application later, however, you will need: (1) your Application ID, and (2) the answer to the security question that you will choose on this page.

To choose a security question, pick the one you like the best from the drugdown list, type your answer to that question in the box below, and click "Continue." Remember: In order to access your application later, you will need to know the answer exactly as you wrote it on this page.

You can also use your Application ID and security question to retrieve your Confirmation Page after you have submitted your application, or to use your previously provided application information to complete a new application at a later date.

If you do not plan to complete your application within the next 30 days, download your application to your computer by dicking the "Save" button at the bottom of the last completed page. Follow the instructions. When you are ready to complete your application, select "upload an Application". NOTE: Only download your application to a computer that cannot be accessed by anyone who does not have your permission to see or record your personal data. If you download your application a shared or public computer, such as a computer in a cyber cafe or library, your personal information may be able to be accessed by other users.

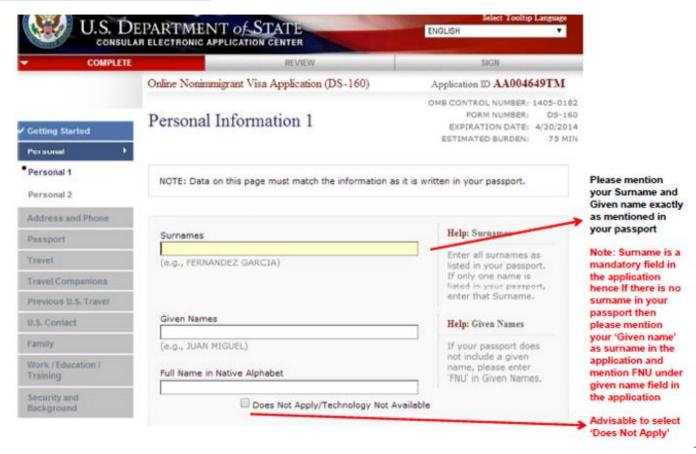

Note: Electronically submitting your DS-160 online application is the FIRST STEP in the visa application process. The next step is to review the internet page of the <u>embassy or consulate</u> where you plan to apply for your visa. Most visa applicants will need to schedule a visa interview, though some applicants may qualify for visa renewal. The <u>embassy or consulate</u> information may include specific local instructions about scheduling interviews, submitting your visa application, and other frequently asked questions.
